

It's Time for Your Energy Checkup!

It's easy and takes just a few minutes. You'll find out how your home uses energy, plus get tips on how to save more.

Once you take the **Online Energy Checkup**, a free energy-saving kit will be sent to your home. The kit, valued at \$27, contains LED bulbs and other products to help you save energy.

Go to ElectricIdeas.com/OnlineCheckup to get your free kit!
