WALLET FRIENDLY REBATES THIS WINTER

You can save money and energy and protect the environment by purchasing **ENERGY STAR®** certified appliances*. Any Appalachian Power residential electric customer residing in West Virginia who purchases a qualifying **ENERGY STAR®** certified appliance in 2022 is eligible for rebates.

Rebates include:

- \$50 on refrigerators
- \$25 on dehumidifiers
- \$50 on air purifiers
- \$25 on ventilation fans
- \$25 on freezers
- \$50 on smart thermostats

Visit [TakeChargeWV.com/rebates](https://www.takechargewv.com/rebates) to view all available rebates and submit online.

Appliances must be **ENERGY STAR® certified.*
